March 28, 2016

The California Cotton Ginners Association has now completed another very active and successful year. Our many activities and accomplishments on behalf of the cotton ginners of California in 2015 would not have been possible without our Associate members' professional input and financial contributions. On behalf of each and every regular member as well as the staff of this Association, let me say that your continuing and valuable support is recognized and sincerely appreciated.

We will be having our 2016 Annual California Cotton Ginners Association meeting in **Monterey** on Wednesday, June 1st through Friday, June 3rd at the **Monterey Marriott**. There will be a welcome reception on Wednesday night for the early arrivals. On Thursday we will be having our golf tournament and for non-golfers it will be an open day. There will be a reception dinner, and annual award presentations on Thursday evening. The Board of Directors will hold their regularly scheduled board meeting on Friday morning followed by the Ginners Annual Meeting featuring guest speakers covering the "hot topic" issues in the industry.

In the past, generous support and contributions from many of our Associate members have helped offset much of our Industry meeting's costs. I hope I can count on your help for this year's annual industry meeting. On the enclosed **Sponsorship Form** please indicate the level of sponsorship you or your company would like to choose for this meeting. Also, as in the past, a golf tournament will be held and contribution options are available and encouraged there as well. Special recognition will be given our sponsors during our meeting based on the level of support chosen. Please note, additional time for visiting and interaction between ginners and associates has been increased at the request of many in our Associate family. Thank you in advance for your help and support.

I look forward to seeing you in **Monterey!**

Sincerely,

Roger A. Isom  
President/CEO
